Video Training Questionnaire—July 2024 Semiannual Training

Church in _____

The following report must be completed for all localities where a video training was held. If you joined another locality that registered separately for the video training, please complete the accounting questions and attendance for your locality only. If other localities registered through your locality, please include them in your responses. Please return this questionnaire within two weeks of completing your video training.

Accounting:

1. Final number (seats) registered from your locality _____
2. Final number of donations received for your locality _____
3. Final number of late registrants* from your locality..... _____
4. Final number of late charges received for your locality..... _____
5. Total donation and late charge amount received _____

Statistics:

- Date Started _____
- Date Finished _____

If these dates differ from the dates submitted upon registration please give reason: _____

-
- Were trainees tested?..... Yes No
 - Were absences limited to two?..... Yes No
