

VIDEO TRAINING INSTRUCTIONS AND REGULATIONS

In order to have a proper atmosphere for the Lord to freshly speak to us, for the Spirit to freely operate through us, and for the organic fellowship to be practically carried out among us, we ask that all trainees read and observe the following instructions and regulations:

1. This is a training; it requires your 24-hour commitment for every day of the training.
2. All trainees should adhere to the schedule of the training.
3. Every meeting must start with much prayer. Trainees should exercise to pray before watching the messages.
4. As this is a training, there will be assignments and study sessions.
5. Group Sessions should be conducted online by video conference software (such as Skype or Zoom) or in person by groups if it is safe to do so. It is suggested that the outline and excerpts of the two morning sessions be read prior to joining the group session. Study all assigned reading material on time. Join each session prepared to share, testify, fellowship, discuss, and ask questions regarding the assigned material. During these days of training, you should restrict all fellowship, corporate and private, to the subject of the training.
6. Brothers will be assigned groups for the study session by the elders/leading ones in their locality. You should not change groups without first fellowshipping with the local elders/leading ones.
7. In the Group Sessions you are required to speak, testify, PSRP, share, and participate with an exercised spirit
8. All materials from this training, in both print and electronic formats, including outlines, audio materials, and video materials, must be obtained directly from Living Stream Ministry. We would ask the saints not to create copies of the training materials in any format without permission from Living Stream Ministry. Do not accept copies of training materials that have been produced illegally. This applies to illegal copies for so-called "personal use."
9. Please turn cell phones **off** during all of the ITERO messages and Group Sessions.
10. Refer all questions to the LSM Registration Section (register@lsm.org; 714-236-8456)
